What other have to Say

Navin has always been a key member of the business development team & his good knowledge about business strategy has helped out startup to grow. I have been working with him for 2 years now and he has improved each day. I wish him success for the coming future.

Anubhav Mishra

Founder/CEO at LegalMind

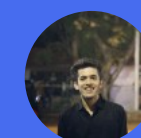

I met Navin through Future City Summit event in Bali. Navin is a young man with an agile mind. He along with his team proposed a project called Bali Tech Innovation Center as a part of solutions in the hackathon we had at the event. Navin is an ambitious person with a lot of ideas worth exploring.

Wahyu Taufiq

Founding Partner, Dapura

Navin is a brilliant individual who has skillset that varies along different lines and can accommodate any kind of difficulty, he knows how to get things done in a smooth manner. The attitude of his towards work is going to take him to heights.
